

SUDAN PAEDIATRICS IN INTERNATIONAL JOURNALS

In this section we will review all recent publications dealing with local problems in the fields of Paediatrics and Child Health and related disciplines appearing in the foreign medical journals.

All our colleagues who have such publications are requested to send us an abstract containing :—

- Name of Journal
- Year, volume and full pagination
- Title of Article
- Name(s) of author(s)
- Summary not to exceed 150 words.
